Financial Report 2024

QuantaQuest Scholarship Fund (Pre-Official Establishment Phase)

Introduction

2024 was a pivotal period for the QuantaQuest Scholarship Fund, marking its transition from a small volunteer group towards the critical preparations for its official establishment as a non-profit organization in 2025. During this phase, financial activities primarily relied on voluntary contributions from the founding members and their close friends, alongside support from an expanding community network. This report summarizes the revenues and expenditures in 2024, reflecting the collective effort towards education, particularly in supporting talented students overcoming adversity.

Summary of Key Activities in 2024

In 2024, the group focused on:

- Maintaining and expanding student support programs through a volunteer network.
- Identifying and reaching out to talented students facing difficult circumstances.
- Organizing academic support and career orientation activities for students.
